45 le CRÉMANT ROSÉ BRUT

"bubbles to discover"

Along the Gironde estuary and opposite Margaux, The domain dominates its vineyard on two opposite slopes of the same hillside on the Right Bank of Bordeaux.

14 hectares of vines facing south, southwest, benefiting from the mild estuary, produce red, crémant and rosé wines.

The three grape varieties, Merlot, Cabernet Sauvignon and Malbec, cultivated on clay-limestone plots allow blends that mark the property's cuvées and their typicality.

COMPOSITION

Type of soil: Clay, limestone clay.

Harvest : Manual in crates with advanced selective sorting.

Technical characteristics : Selection of the youngest plots,

pneumatic pressing, low temperature fermentation Aging on lees.

Bottling process : Traditional Champagne method..

OUR CREDO

- Offer quality products, free of all elements harmful to human health
- Adopt cultural practices that preserve the environment
- Respect and protect our employees

These principles lead us to go beyond the obligations of our labels.

We keep 20% of our land unplanted, in biodiversity, to promote the habitat of species and the renewal of wild flora.

We do not use any herbicides and the majority of our treatments and all our fertilizers are made with biocontrol products.

We have reduced sulphites below our label standards.

No chemical input is used during bottling.

Forklifts are electrically powered. Our cartons and wood packagings come from sustainably managed forests.

Even the electricity we consume is green.

le

CRÉMANT ROSÉ BRUT

“bubbles to discover”

The 45 ? strange name for a crémant ... But here is the explanation. This wine is produced at La Tuilière, a property located exactly at the intersection of the 0° meridian of Greenwich, the origin of the time zones and of the 45° parallel, halfway between the North Pole and the Equator.

Such a strategic position can only give birth to a unique crémant.

CONDITIONING

- 75 cl bottles
- Boxes of 6 bottles
- Pallets of 504 bottles.

DRESSING

- White Bottles
- black headdress.
- Eco responsible caps without TCA.
