LE PRIEURÉ DES MOINES

MÂCON MILLY-LAMARTINE

AOP MÂCON VILLAGES

The Prieuré des Moines cuvée comes from plots located in BERZÉ LA VILLE, around the "Château des Moines" and its chapel, former priory of Cluny Abbey, which faces the village of Milly-Lamartine.

Grape variety and terroir : Drawing its expression from the clay-limestone soils that surround the village of Milly-Lamartine, this wine is 100% Chardonnay

Winemaking : the winemaking methods used are intended to highlight the identity of the "Milly-Lamartine" terroir. Harvested at an optimal degree of maturity, the grapes benefit from a delicate pressing and a precise racking, before the fermentation and aging operations on fine lees.

Tasting notes : Sparkling golden yellow in color, this wine brings the light and colors of Mâconnais Chardonnay at first glance. Its nose is sunny and combines, with infinite precision, yellow fruits (vine peach) with exotic fruits (mango, passion fruit). Intense and generous, he also knows how to play the card of finesse by subtly evoking nuances of acacia and broom. The attack is round, generous and delicious at will. The mouth is juicy, opulent but without excess. Enhanced with long notes of spices and liquorice, the finish is an invitation to pleasure.

Wine & food accordance : This wine perfectly reveals its particular style with sushi, risotto of prawns, scallops or chicken breasts with cream.

Serving : 11 à 13°C

Storage : 4 to 5 years

Varietal range : 100% Chardonnay

GENCOD 75 cl
